About the Healthcare Businesswomen's Association (HBA)

The Healthcare Businesswomen's Association (HBA) is a global organization comprised of individuals and organizations in healthcare committed to:

- Achieving gender parity in leadership positions
- Providing equitable practices that enable organisations to realise the full potential of women
- Facilitating career and business connections to accelerate advancement.

The HBA accomplishes its mission through strong business networks, education and leadership development, and global recognition of outstanding individuals and companies. HBA's members and Corporate Partners represent a global workforce of more than six million professionals across the healthcare ecosystem. For more information please visit: www.HBAnet.org/.

The 2024 HBA European Leadership Summit

The ELS forms a critical opportunity to unite members, foster strong business networks, and inspire thought leadership. The 2024 HBA European Leadership Summit (ELS) will be held in Milan.

Attendees will have the opportunity to participate in interactive workshops, listen to talks, and hear from expert speaker panels.

Want to understand why this is such an empowering event to be a part of?

Why sponsor?

Event sponsors can gain premium exposure with industry leaders and participants and facilitate long-term relationships with summit attendees at value rates. Sponsorship ensures your organization gets targeted exposure and helps to:

- Build business connections for a sustainable leadership advantage.
- Learn from thought leaders to broaden your perspective in the industry.
- Develop actionable insights for yourself, your team and your organization.
- Be part of a group of women and men leading the advancement and impact of women in the business of healthcare.
- Showcase your company's efforts for gender parity.

In an effort of to strengthen our relationships with our valued partners, we have developed an overview of possible engagement. Sponsorships are available at all price points starting at €2,500. The HBA relies on our sponsor's support to provide world class content and thought leadership to further the mission of gender parity in the business of healthcare.
